

HLT33015 CERTIFICATE III IN ALLIED HEALTH

Get your foot in the door and play a vital role within the high growth Allied health industry supporting people with essential care across a diverse range of professions.

Duration: 12-24 Months

Method: Online | Blended | RPL

Payment: Upfront, Pay Per Unit

Funding: Certificate 3 Guarantee

What Can I Expect?

This entry-level qualification provides you with the skills and knowledge to work alongside an Allied Health professional in an assistant role helping patients with rehabilitation. You will learn how to prepare programs and reports, supporting better health outcomes for patients.

Your career in an Allied Health Assistant role can profoundly affect the lives of the people you support. In this qualification, you will gain a solid understanding of the foundational principles for recognising healthy body systems, assisting with an allied health program, and interpreting and applying medical terminology, which will place you in a great position to apply for Allied Health Assistant roles.
